The Gianmaria Buccellati Foundation Award for Excellence in Jewelry Design

The Gianmaria Buccellati Foundation is pleased to announce the first Gianmaria Buccellati Foundation Award for Excellence in Jewelry Design. This program, which will be administered by GIA, was conceived as a way to inspire and encourage beginning jewelry designers while, at the same time, celebrating the long history of this unique art. This art ranges from ancient cave paintings to Benvenuto Cellini and finally to the man whose name honors this event, the legendary designer and goldsmith Gianmaria Buccellati.

In addition to the winner's trophy, which will be presented by Mrs. Rosa Maria Buccellati at a ceremony in Milan, the winner will receive a one week all expenses paid trip to Italy where they can see, first hand, the great treasures and works of art by the legendary artists and goldsmiths of the Renaissance.

The 2017 program is open to eligible GIA students who are enrolled in a 2017 GIA Jewelry Design course and successfully complete the course with design submissions received by Dec. 15, 2017.
